

**MS THANDI HLAPOLOSA AND MS MBALI LETEBELE APPOINTED TO
HEAD PLANNING, MONITORING AND EVALUATION IN FEZILE DABI DISTRICT MUNICIPALITY.**

The new Manager of Monitoring and Evaluation: Ms Thandi Hlapolosa

As part of strengthening planning and monitoring and evaluation in the District, Fezile Dabi District Municipality has appointed managers for both planning and monitoring and evaluation, Thandi Hlapolosa is the new Manager Monitoring and Evaluation, and Mbali Letebele Manager planning, according to the Municipal Manager Dr Mongake the aim of these appointments is to make sure that as the organization we improve in as far as planning is concern,” we want to get rid of this silos tendency that have turn out to be part of our second nature, and as results is killing our municipalities and wasting a lot of resources.

The new Manager of Planning: Ms. Mbali Letebele

Planning plays a very important role in shaping the direction of the Municipality, we sincerely hope that the Managers in these Units will do everything in their power to make sure that as Fezile Dabi District Municipality we improve in as far as planning and monitoring is concern” Mongake further emphasized the need to plan and implement to the fullest the programmes of the municipality,

“We can’t plan without implementing, and we will not know what we are implementing without monitoring and evaluation, the time has come for us as the district to make sure that we monitor and evaluate our programmes thoroughly, these Units therefore are expected to work very hard in monitoring our actions as Municipalities in this region, and they must be assisted with resources in order that they can help our Local Municipalities in establishing similar Monitoring and Evaluation Units”.
